Re: USA v. Sargeant, et. al., 19 cr 00666 (KMK)

Dear Judge Karas,

Our office represents Kelvin Ganpat, one of the defendants in this matter.

Since shortly after his arrest last summer, my client has worn an ankle bracelet. I have communicated with Pre-Trial Services and the assigned Assistant US Attorney and both agree that this condition of his release can now be terminated. Accordingly, I would respectfully request that Your Honor so endorse this correspondence, allowing this to be effectuated. Thank you for your consideration.

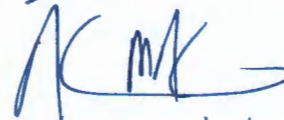

Respectfully submitted,

Michael H. Sussman
